

Deadlines for submission of applications and documents, admission exams schedule, competition-based selection of candidates and admission of successful applicants.

1. Application documents for the Doctor of Philosophy programme are accepted from 07.17.2017 till 08.31.2017 in Building 5, room 223.

The admission committee approves the admission decision on the basis of an applicant's total number of points and the source of funding available. Based on the decision of the admission committee a decree regarding the admission to the Ph.D. programme is issued by the Rector of the University.

The entrance examinations are conducted from **September 1, 2017** till **September 11, 2017**.

Applicants who are not selected on the basis of the competition have the right to contract-based admission within the university license quota.

The information about the application process and the Ph.D. and Dr.Sc. programmes admission results (the licence quota and the procedure) are made available at the university website.

2. Dates of making the results publicly available:

- the lists of applicants recommended for state-funded and individual or legal entity-funded admissions to Doctor of Philosophy and Doctor of Sciences Programmes are made available no later than **September 12, 2017**;

3. The studies in the Ph.D. and Dr.Sc. programmes start on September 15, 2017.

The duration of the program is 4 years for the Doctor of Philosophy programme and 2 years for the Doctor of Sciences programme.
