Journal «RELIGION AND SOCIETY»
Founded in March 13, 2008 13
International Standard Serial Number ISSN 2224-0306
Journal of Philosophy is approved by the Ministry of Education and Science of Ukraine №515 від 16.05.2016 р.)
Languages: English, Ukrainian, Russian.
Founders of the scientific herald:
– Yuriy Fedkovych Chernivtsi National University;
– Department of Religion Studies of Hryhory Skovoroda Institute of Philosophy of NAS of Ukraine

The journal deals with the research of actual issues of philosophy, history, sociology and methodology of sociological surveys, cultural and religion studies. The issues of interdisciplinary synthesis and the updating of integration processes in science, the modern movement from humanism to neohumanism, the issue of the origin of double truth theory in science and philosophy, the history of philosophical thought in Ukraine and abroad are considered in this journal.

The value aspects of civil society, the main preferences of organization and self-management, the social and value potential of social work, education reforms in Ukraine and others are analysed in the given journal.

The religious denominations of Ukraine and Bukovyna, the causes and factors of interconfessional conflicts, the mechanisms of religious tolerance formation are studied.

The book reviews of prominent Ukrainian and foreign scientists are offered and the research papers of young scientists are presented.
The Herald is a constant source for scholars of educational and research institutions, libraries and for all who are interested in studies and development in the humanitarian sphere.
